Rotary Fellowship of Healthcare Professionals

Welcoming Our New Chair: Pat Merryweather-Arges

Pat has worked for over 30 years on improving quality of care and patient safety in hospitals, nursing homes, home health, community settings, hospice, and public health. She works in collaboration with healthcare clinicians and organizations; government and non-government organizations; and patients, residents, families, and caregivers.

Pat is Past Rotary International Board Vice President, 2023-2024; Rotary International Board 2022-2024; and has served in many roles and capacities in District 6450 and her Rotary Club of Naperville.

She has been a Regional Rotary Foundation Coordinator; Chair or Convener for 5 Institutes; Presidential Peace Conference Chair in Chicago in 2018; and has traveled to over a dozen countries working on Global Grants and programs.

She has served as the was the WASH Board Chair 2024-2025 and Vice Chair 2025-2026; Board member of Mental Health Initiatives Rotary Action Group; Reproduction and Maternal, Child Health; and Peace Rotary Action Group member. Pat is currently on the WHO Quality of Care and Patient Safety Education and Training Core Group.

Pat and her husband Rotarian George have 4 sons, three daughters-in-law, 8 grandchildren, and 2 dogs.

‘Come, join us!’

We invite you to join us as we work to provide high quality of care and prevention services to our communities world-wide!

We welcome you to join us as we learn and share with each other!

We value the internationality of our organization and the diversity of all healthcare professionals.

We also know that we have a unique opportunity to work with other Fellowships and Rotary Action Groups as they can help us provide the highest level of quality of care. The Water, Sanitation, and Hygiene Rotary Action Group provides key opportunities for us to reduce healthcare acquired infections; Rotary Action Group for Peace provides for violence free environments; Basic Education and Literacy provides the basis for us to communicate the importance of public health and interventions; and on and on.

We invite you to join us as we work to provide high quality of care and prevention services to our communities world-wide!

Making a difference using our time, talent, and knowledge --- come join us!
